

Scott & Beth

HI! WE ARE
Scott & Beth

FROM KENTUCKY!

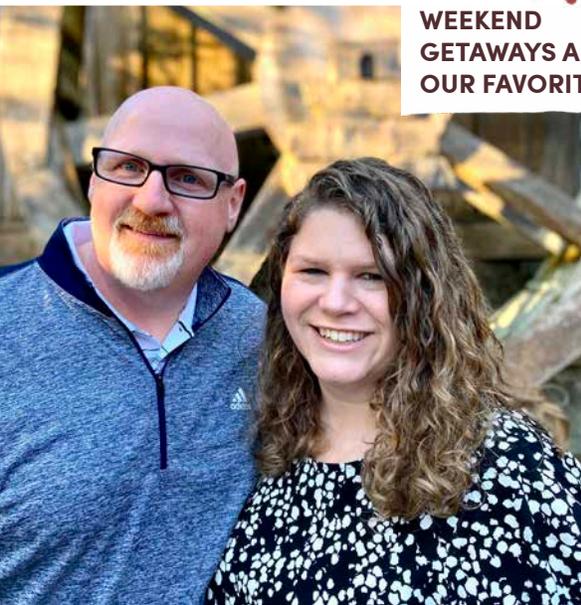

WE'RE SO EXCITED TO GROW OUR FAMILY!

Thank you for taking the time to read our story. While it's impossible to share everything about our lives in such a short book, we hope this gives you a glimpse into who we are.

Before we were married, we were aware having biological children would be challenging, if not impossible. We feel adoption is the best option to grow our family and we anxiously await the day we become parents. Adoption holds a special place in our hearts as Beth's Dad and two cousins are adopted. We have a close community of friends and family who are a wonderful support system and ready to welcome and love your child.

If you choose us, we promise to provide a home filled with love and respect, a life of support and adventure, while always sharing your story and honoring your courageous decision.

HOW WE Met

WE MET AT
BETH'S BIRTHDAY PARTY.

Despite not knowing the birthday girl, Scott was encouraged to attend by mutual friends. While waiting to be seated we really connected, and ended up sitting next to each other at dinner. Beth received a Facebook request the next day and I guess you could say the rest is history!

A year later Scott proposed inside a hot air balloon as it was inflating – not the basket– the actual balloon! We went up for a ride right after, but Beth doesn't remember much since she couldn't stop staring at her new ring! Scott often jokes that he is the best birthday present Beth ever got.

ABOUT SCOTT

by Beth

Scott Everyone loves Scott! He is funny, intelligent, and easy to talk to. He is able to carry on a conversation about anything. He knows so many random facts and is great at trivia! He is very thoughtful and caring, which makes him a wonderful husband and I know he will be a great Dad! He is very handy around the house, whether it's fixing a car, changing a light fixture, or building something, he always seems to know how to take care of the task. He is a hard worker and always seeking to do his very best. He is great with our nieces and nephews, whether it's planning a fun surprise trip, a weekend sleepover, or just reading in his famous cookie monster voice - he's always a kid crowd favorite!

ABOUT BETH

by Scott

Beth is always the most caring and thoughtful person in the room. As I first got to know Beth, I saw clearly how much she cares about people. Beth truly wants those around her to feel heard, appreciated, and loved. Throughout our years together I have seen her commit herself to serving organizations and people that truly need someone to care for them.

Beth truly loves family, often seeking time to spend with our nieces and nephews. She especially loves having girls days with our nieces and finding ways to make them feel special. We all love Beth's fun loving side, her jokes that make her laugh as much as anyone and her camp songs.

FUN CELEBRATING WITH SISTER AND SISTER-IN-LAW

Scott is the youngest of 7 children and Beth is the oldest of her three siblings - I guess they say opposites attract! We live close to Beth's family and they love to find any reason to get together and celebrate every chance they get! Beth's siblings have several young children, so our child will have lots of cousins to grow up with. Beth, her sister, and sister-in-law are already planning future zoo visits and family vacations! Christmas is a very big celebration for Beth's family, especially with the young nieces and nephews, so we spend Christmas with Beth's family.

Scott's family lives in West Virginia and North Carolina and while we don't get to see them as often as we do Beth's family, it always makes our trips to visit with them extra special. When Scott sees his brother closest in age to him, it is only a matter of minutes before they are acting like kids and rolling on the floor laughing. Thanksgiving has always been a special time for Scott's family, so we spend that holiday in WV with Scott's family. Both sides of our family love to eat, laugh and have a good time. We love to spend time together and celebrate.

FAMILY AT BETH'S SISTER'S WEDDING

Our Faith is very important to us. We both grew up going to church and both continue to attend and actively participate in our church. Scott is a deacon and Beth volunteers with the children's ministry of our church. Many of our friends from church have become a second family. We regularly meet up with families from our group to go to dinner or events around town.

WELCOME TO OUR HOME

OUR HOME & Community

WE CALL
LOUISVILLE,
KENTUCKY HOME AND
WE LOVE IT HERE!

From the Kentucky Derby, Louisville Slugger, parks and lakes, we love all that the city and state have to offer. We live in a quiet subdivision in an area of town which allows us to have close proximity to the museums, performances and activities downtown, but close enough to travel to visit the farm Beth's family owns. We love that we get to experience all four seasons. We love being outdoors and we especially enjoy visiting the lake.

OUR HOME THEATER

Our home is one and a half stories and has several spare bedrooms for family members and friends to come stay and visit whenever possible. We love to entertain and have people over whether it is to watch a movie or sporting event in our theatre room, celebrate a holiday, or to cookout and play games.

ROXIE LOVES TO CUDDLE

Our dog,
ROXIE

IS THE ABSOLUTE SWEETEST
DOG YOU WILL MEET!

I'M PRETTY SURE THAT IS A DOG SMILE

Roxie is a lab mix rescue who captured our hearts the first day we met her. We took her for a walk and sat on a bench to talk things over and Roxie jumped up on the bench between us and licked each one of us. We started laughing and just knew she was ours. She loves laying beside our nieces and nephews and watching them, she is so gentle and loving. She is such a special part of our family.

In Closing We imagine this process is overwhelming, so thank you for taking the time to read our book and for considering us for your child. As parents, we hope to provide a loving and supportive home and provide opportunities for a child to explore the world around them by combining activities which include outdoor exploration and culturally diverse activities. We will seek to

provide our child with educational opportunities to help them succeed throughout their educational journey and will support their passions and dreams. We promise to share their adoption story with them from the beginning. We promise to respect your decisions regarding openness and understand it may change over time and we will respect whatever level of openness you desire.

WE PRAY THAT YOU
HAVE LOVE AND
SUPPORT
AROUND YOU
AS YOU MAKE
THIS DIFFICULT
DECISION.
