Hello,

Thank you for taking the time to view our profile. It's a small window into our lives but our hope is that you can see the love we have for one another, the love for our family and friends and the things we enjoy doing together. We cannot fully understand what you are going through. You are brave. Thank you for your courage and love that you have already shown with considering adoption. Despite not knowing us, we have been praying for you and we want the absolute best for you and your baby. Being parents is our hearts desire. We hope this book gives you a glimpse of our family.

about us

HOW WE MET

Time flies when you are having fun! It feels like yesterday that we met while living in Georgia. We realized that we enjoyed many of the same things, like going to events, traveling and spending time with family and friends.

One of Iaasac's favorite places to visit is Chicago. Iaasac planned a trip where we visited all of his favorite spots in Chicago. At the end of the night Iaasac propped and Crystal said yes!

a little about **CRYSTAL**

Crystal was born and raised in the great state of Alabama (Roll Tide) with her mom, dad and two sisters!

Crystal is a very loving and giving person. She puts the needs of others ahead of her own.

She pursued her passion of working in the healthcare field as a Physical Therapist.

I know she is going to make an excellent mother!!

Crystal enjoys football, spending time with our cat, Penelope, cooking and reading.

a little about
IAASAC

Iaasac grew up in a small town in Central Illinois with his parents and older brother. He graduated from business school in Chicago and received an active duty commission as an officer in the Army.

I love how strong, dependable, positive and support Iaasac is. He's an amazing leader for our family and I know that he's going to be an excellent dad; and pass on all the values he's learned throughout life.

Iaasac loves the Chicago Cubs, landscaping and cooking.

He is going to be an awesome dad.

OUR *home* AND NEIGHBORHOOD

Our home is located in one of the safest towns in a highly rated school district in Maryland. Our neighborhood is family friendly and has lots of walking trails and fun activities. We enjoy having family gatherings at our home also.

Family & Friends

We love are family and friends. They have always supported us from the beginning. Our greatest joy is getting to spend time with our nieces and nephews; watching them grow into amazing, smart, fun and loving people. The cousins are looking forward to welcoming another family member that they can play, teach learn and grown with.

Meet our Cat, Penelope that we absolutely love. She is extremely sweet and gentle and is eagerly awaiting the arrival of her sibling.

Family Traditions

Christmas is one of our favorite holidays!

Adventures

We love to travel. We have been traveling together since the beginning of our relationship. We have traveled to different states and countries. We've been to Europe, Africa and the Mediterranean. We really love learning about other cultures and can't wait to share it with your baby.

Our promise to you...

Thank you taking the time to learn about us as you consider an adoption plan for your child.

If you decide to move forward with an adoption plan, we promise to give your child our unconditional love. We promise to provide your child with a loving and happy home, filled with lots of laughter, endless hugs and security.
