Our Love Story

Time flies when you are having fun! It feels like yesterday that we met while living in Georgia. We realized that we enjoyed many of the same things, like going to events, traveling and spending time with family and friends.

One of laasac's favorite places to visit is Chicago. laasac planned a trip where we visited all of his favorite spots in Chicago. At the end of the night laasac propped and Crystal said yes!

A photograph of a man and a woman sitting on a large, light-colored rock in a lush forest. The woman is on the left, wearing a grey t-shirt and dark pants, and the man is on the right, wearing a grey t-shirt with 'KANSAS WYHANS' and khaki pants. They are both smiling and wearing sunglasses. In the background, there is a dense forest of evergreen trees, a small blue lake, and a large, snow-capped mountain under a clear blue sky. A semi-transparent black box with white cursive text is overlaid on the bottom center of the image.
